The Pond Homeowners Association
Board of Directors Meeting Minutes
January 16, 2025

Call to Order / Quorum: The Board of Directors Meeting for The Pond Homeowners Association was called to order at 6:01 PM. The meeting was held via the Zoom. Board Members present were Jeff Dickson, Ben Drotar, Irene Zerr, Ted Ward, and Leo Hebert. Members not in attendance: Shane Davidson. Association Managers, Jen Westerman and Katie Barker from Community Management Specialists, Inc. also attended.

A quorum was established.

Ratifications Outside of Board Meeting:

- Path on South shore of lake trees have been removed.
- Maintenance Committee – This committee was approved on December 19, 2024. Gary Hamlington, Barry wallen and Stephen Clear are on the committee.
- 2025 Budget was approved on December 12, 2024, during the Budget Ratification Meeting. The $25 increase went into effect January 1, 2025.

Approval of Minutes:

- November 2024 Minutes: Jeff moved to accept; Ted seconded. Motion unanimously approved.

Financial Report:

- November 2024 – Irene explained there was no transfer to the Reserve Account. Overspent by $14K due to the clubhouse roof replacement and pool repairs.
- December 2024 Financials: Irene had nothing to report.

Violation Status – CMS had nothing to report at this time.

Committee Reports:

- **ACC –** Barry Wallen resigned as Chair. Looking for someone to take over that position.
- **Finance –** Irene reported the committee will be meeting soon and that it is currently on hold right now. CMS will obtain revised Reserve Study proposals and send them to the Board of Directors for review.
- **Technology –** Ben reported that the Association has migrated away from ZOHO and moved to Google Workspace. All Board emails and Association Files have been moved over and are in place. The committee is also looking at Century Link as their current internet provider at the clubhouse and other possible options for the internet.
- **Lake –** A discussion was held regarding the maintenance and inspection of the lake and dam. It was noted that the dam should be inspected every 10 years, with the last inspection conducted in 2009. Additionally, the outlet gate should be operated annually, with this maintenance scheduled for spring.

  The maintenance of greenery around the lakeside of the dam was also addressed. Roots can displace soil and cause erosion, making it essential to assess and address this issue yearly. The committee has explored ways to improve the area and adopt a more proactive approach to cleanup.

  The Board of Directors will provide CMS with a detailed list of tree and vegetation cleanup specifications so that CMS can obtain proposals for the necessary work.

DRAFT

Water season has commenced, and the committee is actively working on water leases for 2025. The required number of shares fluctuates yearly based on weather conditions and water accumulation, with at least four shares needed annually to offset evaporation.

- **Landscape –** Not a lot to report right now as it is the slow time of year. Path is in. Committee is working on fire mitigation ideas to happen in the spring and also getting ready for the spring cleanup around the community.
- **Maintenance –** Committee was approved on December 19, 2024. The Charter has been placed on the website. Currently getting organized. The committee is working on a spreadsheet of maintenance items. They are also working with Century link regarding the utility box.

New Business

- **Reserve Spending for 2025** – really need to look at what's available. In 2024 we were about $40K over budget, a majority of the overage was in the water/sewer/stormwater. More explanation about 2024 spending coming in February. Jeff moved to make sidewalks and paths a priority in 2025 and to have the maintenance committee present a plan to the Board to approve and then CMS to obtain proposals, Leo seconded. Unanimously approved.
- **HOA Reserve Study –** Last Reserve Study was completed in 2016. It is recommended to be completed every 10 years. The Board of Directors asked CMS to provide revised proposals to have a Reserve Study completed.
- **ARC Committee Chair –** The committee is actively looking for a Chair for this committee. Ben will speak to Kristen about adding this into the Ponderings to get the word out.
- **Communication –** Kristen is currently working on the Ponderings.
- **Resignation** - Jason Daigenault resigned from the Board of Directors on January 15, 2025, citing work obligations. This resignation leaves one Board position vacant, with the term ending in 2025.

  Gary Hamlington has expressed interest in rejoining the Board as a Member-At-Large. During further discussions with the homeowners in attendance, Ron Lombardi nominated his wife, Deana Ertl-Lombardi, for the position.

  The Board of Directors will deliberate further and decide on the appointment to fill the remainder of Jason's term. **Open.**

Old Business:

- **Common Area drainage issue** – More information should be available at the next Board meeting.
- **ADU Guidelines** – Discussion was held, and the Board of Directors would like to have the guidelines added into the Design guidelines for the community.
- **Utility Box next to path** – the line was cut in December and Century Link finally came to look at it. There is currently an orange bag over the utility box until Century Link can come out to make repairs.
- **2024 Audit** – Discussion was held, and the 2024 taxes need to be completed prior to the audit. CMS will inform the Board of Directors once this has been completed.

Next Meeting:

Adjournment at 8:16 p.m.

DRAFT

The Pond Homeowners Association
Board of Directors Meeting Minutes
February 21, 2025

Call to Order / Quorum: The Board of Directors Meeting for The Pond Homeowners Association was called to order at 6:03 PM. The meeting was held via the Zoom. Board Members present were Jeff Dickson, Ben Drotar, Irene Zerr, Ted Ward, and Leo Hebert. Members not in attendance: Shane Davidson. Association Managers, Jen Westerman and Katie Barker from Community Management Specialists, Inc. also attended.

A quorum was established.

Actions Outside of Board Meeting:

- A leak at the clubhouse was identified. CMS is working to get someone out to address this.
- The North sump pump needs to be repaired. CMS is working to get someone out to address this.

Approval of Minutes

- January 2025 Minutes: Ted moved to accept; Leo seconded. Motion unanimously approved.

Financial Report

- **January 2025:** Only a few items required reclassification.
- **2024 Financial Review:** The Board discussed discrepancies in the 2024 financials. Ben expressed concerns that the official financials did not accurately reflect actual expenditures and recommended including all adjusted line items. Irene clarified that financial statements sent to homeowners are edited to exclude private homeowner information and are available to all residents. Jeff asked whether approving the December 2024 financials equated to approving the total 2024 financials. Irene confirmed that this had not been the previous understanding. The Board agreed to discuss this further.
- **City of Arvada Water Bill Review:** The Board reviewed fluctuating city water and sewer charges and considered reducing water consumption by delaying sprinkler activation and adjusting summer watering. The projected water and storm sewer budget shortfall was estimated at $21,000. Ben proposed lowering the reserve spending threshold to $250,000, increasing the walks and paths budget to $58,000, and keeping $50,000 in reserves for budget shortfalls. The Board agreed to update the reserve document accordingly.

Violation Status

- CMS will continue enforcement attempts and provide an overview of findings at meetings.

Committee Reports

- **Architectural Control Committee (ACC):** Still searching for a new chair. Ben and Leo met to discuss technical aspects, and the team is addressing a backlog of requests.
- **Finance Committee:** All financial matters were covered in the financial discussion.
- **Technology Committee:** The primary focus is on ARC request processing. The committee discussed clubhouse internet options with Comcast, which may require trenching. Further discussions are ongoing.
- **Lake Committee:** Currently working on annual lease agreements. The High Line Canal annual meeting is scheduled for March. Water share allocations remain unchanged from 2024.
- **Landscape Committee:** Planning a walkthrough to monitor water usage and pond maintenance. The committee wishes to be present when Sabell's turns on the water for the season. The committee is also working on putting a list together of when different landscape items need to be addressed that will then be broken into a project list for each year.
- **Maintenance Committee:**
    - A clubhouse leak was identified, and CMS is arranging repairs.

- CMS is addressing a malfunctioning common area sump pump.
- The clubhouse front door was repaired by Dan.
- Additional asphalt alley paving proposals are being obtained, with the committee liaising directly with vendors.
- Planning for 2026 tree trimming, with a focus on removing dead trees.
- The lake level issue remains under review.
- The lake aeration system's air compressor sustained water damage and is being repaired.
- Sidewalk reassessments are underway, with proposals being gathered.
- Alleyway improvements: Alley #2 will be completed this year, with proposals in progress.

New Business

- **Winter Ponderings Newsletter:** Jeff will coordinate with Kristin to distribute a winter edition.
- **Clubhouse Committee**: Reviewing historical documents, including the previous charter, and seeking a new chair.
- **Pool Cover and Anchors**: The pool company found no damage to the cover or anchors. Leo suggested purchasing a storage container for the cover. Stephen will research replacement costs.
- **Reserve Study Proposals**: Discussion was held regarding commissioning a reserve study. Irene motioned to proceed; Ted seconded. Unanimously approved. The Board will decide on a company by the next meeting.
- **Skating on the Pond:** The Board discussed concerns over ice skating safety. Jeff reported calling emergency services after seeing children skating, citing liability risks. Resident Jason defended skating, stating they checked the ice thickness. The Board debated possible solutions, such as "Skate at Your Own Risk" signs or a complete ban and agreed to continue discussions offline.

Old Business

- **ADU Guidelines**: Jeff moved to incorporate ADU guidelines into the Design Guidelines for easier modification. Ben seconded. Motion unanimously approved.
- **Dam Inspection Report**: A walkthrough to assess trees will take place soon.
- **Fourth of July Party:** Tabled.
- **Open Board Position**: Discussion held on filling the vacancy. Candidate Brad McDowell was not present, so the matter was tabled.
- **Utility Box Next to Path**: Decision postponed until spring/summer.
- **Hybrid Meeting:** The next Board Meeting on March 20, 2025, will be hybrid. CMS will attend via Zoom.

Next Meeting

- March 20, 2025 – Hybrid (Zoom available)

Adjournment

- Meeting adjourned at 7:50 PM.

Executive Session
Called to Order: 7:52 PM

- Topic: Delinquencies
- Acct# 26964 – Discussion held.

Adjournment: 8:05 PM
Reconvened: 8:06 PM

- Vote held and approved to send Acct# 26964 to legal if a payment plan is not signed and received by April 1, 2025.

Final Adjournment: 8:08 PM

The Pond Homeowners Association
Board of Directors Meeting Minutes
March 20, 2025

Call to Order / Quorum: The Board of Directors Meeting for The Pond Homeowners Association was called to order at 6:03 PM. The meeting was held via the Zoom. Board Members present were Jeff Dickson, Ben Drotar, Irene Zerr, Ted Ward, and Leo Hebert. Members not in attendance: Shane Davidson. Association Managers, Jen Westerman and Katie Barker from Community Management Specialists, Inc. also attended.

A quorum was established.

Actions Outside of Board Meeting:

- North sump pump – CMS is actively working to find a vendor that will.

Approval of Minutes

- February 2025 Minutes: Jeff moved to accept with corrections; Ted seconded. Motion unanimously approved.

Financial Report

- **February 2025:** Nothing surprising as it is the slow time of year. Ben moved to accept; Leo seconded. Motion unanimously approved.

Violation Status

- CMS reported there were twenty violations sent for the month. They included trash cans, Christmas decorations, number plaques, basketball hoop and trash bags in front yards.

Committee Reports

- **Architectural Control Committee (ACC):** There were approvals for roofing and fencing. The system is working for now. All the old request have been cleared.
- **Finance Committee:** The committee did not meet. Discussions were held via email about potential water usage overage. The main recommendation is to limit watering to the period between Memorial Day and Labor Day to reduce costs. Jeff and Ted met with Hunter to discuss water management strategies, including delaying system charging until late April, limiting watering to three days a week per zone, and stopping by October 1st as required by the city of Arvada. The board plans to communicate proactively with the community about water usage and budget constraints and is considering creating monthly one-page updates on various topics, including water usage.
- **Technology Committee:** Nothing currently. The tv in the clubhouse is broken. It was suggested to replace it.
- **Lake Committee:** Ben presented slides from the yearly Farmer's Highline Canal meeting. Several graphs showed yearly snowpack, canal water flows, and usage. Ted worked on opening up the main water feed (drainage ditch) by hand. Several volunteers discussed a project to put in a culvert in the main water feed to limit water loss from seepage.
- **Landscape Committee:** Ben and Ted met with the new SaBell's property manager for the neighborhood, Hunter. They are merging with Environmental Designs under Monarch, which also includes Monarch Trees (for pruning). Nic will be our Pruning point of contact and plans to have a 4-year pruning plan out to us by the beginning of April. We discussed various treatments for the trees and shrubs in the neighborhood, and the shrub pruning plan. Irrigation will be charged the last week of April, but will not be turned on until we ask them to. We may have to limit watering to stay in budget, so we discussed wetting agents and the possibility of living with some brown patches of grass. The landscape contract will be reviewed in June or July with the potential to rebid it for next year. The Garrison Street xeriscape needs some light maintenance.

The Pond Homeowners Association
Board of Directors Meeting Minutes
March 20, 2025

- **Maintenance Committee:**
  - Clubhouse leak was repaired.
  - The room in the clubhouse house basement needs to be organized.
  - The need for paving quotes were discussed and the importance of having money in place before the cluster alleyways are completed.
  - The BOD is prioritizing fixing paths and sidewalks due to safety concerns, with quotes being obtained for both.
  - Fencing repairs along Garrison were discussed. Along with the need for the overall appearance of the fences in the community.
  - Reserve Study was discussed, and Jeff would like the BOD to review the proposals and have a decision by the April meeting.

New Business

- **Spring Ponderings Newsletter:** BOD working on getting a spring Ponderings Newsletter out to community.
- **Reserve Study -** Reserve Study was discussed and Jeff would like the BOD to review the proposals and have a decision by the April meeting.

Old Business

- **Reserve Spending –** Paths & sidewalks priority. Will have a list within 2 weeks.
- **Common area drainage –** no update working with the City on the drainage.
- **ADU Guidelines –** BOD decided to revise the Design Guidelines and add this into it. CMS will contact legal to have it added to the guidelines.
- **Dam Inspection Report –** putting plan together to trim the trees in the area near the dam.
- **4th of July party –** in progress.
- **ACC Committee Chair –** BOD still looking for chair of the committee.
- **Open Board Position –** Jeff announced the nomination of Brad McDowell for the open Board Position, which was approved by the board of directors.
- **Utility Box –** Century Link is aware and will be addressing this later in the spring/summer.

Adjournment

- Meeting adjourned at 7:45 PM.

Executive Session – None

The Pond Homeowners Association
Board of Directors Meeting Minutes
April 24, 2025

Call to Order / Quorum: The Board of Directors Meeting for The Pond Homeowners Association was called to order at 5:09 PM. The meeting was held hybrid. Board Members present were Jeff Dickson, Ben Drotar, Ted Ward, Brad McDowell, and Leo Hebert. Members not in attendance: Irene Zerr and Shane Davidson. Association Managers, Jen Westerman and Katie Barker from Community Management Specialists, Inc. also attended.

A quorum was established.

Actions Outside of Board Meeting:

- None.

Approval of Minutes

- March 2025 Minutes: Ted moved to accept; Ben seconded. Motion unanimously approved.

Financial Report

- **March 2025:** Ben moved to accept; Leo seconded. Motion unanimously approved.
- **The current account balances are as follows:**
    - Operating: $75,068.99
    - Reserve: $269,977.39
    - Cluster: $100,791.99

Violation Status

- CMS reported there were minimal violations.

Committee Reports

- **Architectural Control Committee (ACC):** Ted discussed the need for a new Chair as the current one has been inactive for six months. Jeff reported on the committees' activities, including four approvals and five pending requests. It is starting to pick up as it is that time of year.
- **Finance Committee:** Nothing to report as Irene was not at the meeting.
- **Technology Committee:** Nothing currently. The tv in the clubhouse is broken. A microphone was also discussed to help with hybrid meetings.
- **Lake Committee:** Ben is working on water leases and has not been able to contact JeffCo Schools. Ted praised Ben for his effective management of the lake, including the installation of a water flow measurement system and a lake level meter. Jeff discussed the importance of managing the lake's vegetation, which is crucial for the lake's ecosystem and the community's enjoyment. He also mentioned the need to remove carp from the lake, which has been a problem for years. Jeff proposed a fishing derby as a cost-effective way to remove carp, with the HOA providing a thousand dollars per derby. He also mentioned that the grass carp, which were introduced to control algae blooms, have now become a problem and will be removed if caught. The team discussed the disposal of caught carp, with Jeff suggesting they could be taken to a wildlife preserve.
- **Landscape committee:** May 17 spring cleanup. A skid steer will be rented to help pull stuff out by the lake. Ted walked with the City. Main issue is the trees along the lake. They would like to remove everything under 4 inches and remove trees as they start to die or already dead. The current water level is fine. 4 year plan for tree trimming has ended. Still waiting for proposal from Sabell's. Irrigation will be charged the week of April 28. Tracking to have system fully turned on the end of May.
- **Maintenance Committee:**

- Bridge repairs – one proposal came in at $3,000K Dan said it would cost $315 to replace 6 posts and a new frame. He will volunteer his time and only charge for the materials. Ted moved to accept this offer, Ben seconded. Unanimously approved.
- National Pavement – Would like to have the work scheduled after the tree removal by the lake is completed. Looking at a June timeframe.
- Clubhouse Locks – Wearing out. Committee will explore the cost of replacing them with digital keypads.

New Business

- **Stormwater issues**- Ted discussed the city's plans to improve drainage in the neighborhood. The city engineer agreed to install a culvert to prevent root invasion and maintain water flow. The city also plans to fix drainage issues on Garrison Court and 86th Place, with work potentially starting in June or July. The city may also use heavy machinery to install a culvert for the main arbor ditch, saving time and money. The neighborhood's successful drainage system may serve as a model for other intersections in the city.

Old Business

- **Path & Sidewalk Project –** Pathway paving project approved with NPP doing it.
- **ADU Guidelines –** Agreed no policy is needed. Board agreed to update the covenants.
- **Sump Pump Issues –** CMS still working to locate vendor.
- **Reserve Study –** Board agreed to move forward with the Charles Taylor Proposal. The Maintenance Committee will oversee the completion of the study.
- **Utility Box –** Irene is still working on this.

Adjournment

- Meeting adjourned at 6:38 PM.

Executive Session – None

The Pond Homeowners Association
Board of Directors Meeting Minutes
May 22, 2025

Call to Order / Quorum: The Board of Directors Meeting for The Pond Homeowners Association was called to order at 5:08 PM. The meeting was held hybrid. Board Members present were Jeff Dickson, Ben Drotar, Ted Ward, Brad McDowell, Irene Zerr and Leo Hebert. Association Manager, Jen Westerman and General Manager Amy Nelson from Community Management Specialists, Inc. also attended.

A quorum was established.

Actions Outside of Board Meeting:

- Shane Davidson resigned from the Board.
- Pool Opening and Leak – The pool is opening Saturday, Mayb 24, 2025. There is a pool look that is being addressed. CMS to send out email blast about pool opening and include the pool rules.
- Community Day – Was a big success, 30-40 people showed up despite the short notice. Got almost double what was expected to be done. My Family Tree came out with a chipper; mulch is by the tennis courts for Homeowners to use around the Community. Notice will go out from the Board.

Approval of Minutes

- April 2025 Minutes: April 2025 minutes were unanimously approved.

Financial Report

- **April 2025:** Ted moved to accept; Leo seconded. Motion unanimously approved.
- **The Financials Were Reviewed:**
    - Insurance was a big payment that was made was $600 under budget
    - Pool expenses were addressed – 6 payments are made; chemicals are 2/3 paid in April and 1/3 in August, may want to consider tanking in water to fill the pool next year.
    - Trash/Recycling was normal
    - Water bills have not been received yet, estimated to be about $6,800 over budget.
    - Reserves are tracking good so far, about $4,000 will be used for the reserve study and $39,000 for National Pavement for concrete/asphalt work. The drainage repair will be fixed by the City in June/July.

Violation Status

- CMS reported there were minimal violations.

Homeowner Forum

- Ted Reynolds at 8609 Garland Ct reported that the alley is cracking and heaves by his garage. This alley was repaired about 5 years ago. The BOD advised there is still discussion as to what alley will be completed this year and will assess this area.

Committee Reports

- **Architectural Control Committee (ACC):** Things are being turned around quickly, Kathleen Kennedy volunteered to take over as chair, Juanita and Jerry want to stay on but do not want to chair. Motion by Ted, Seconded by Ben to approve Kathleen as chair. Motion unanimously approved.
- **Finance Committee:** There has not been a meeting recently, emailed about meeting on the 29th at 7 pm, the reserve study will be looked at, reserve study will be scheduled once they receive the ½ down payment, check was in the May check run. Alley 2 and connector contract has been approved and is ready to be signed. Discussion was held regarding switching it to the alley that is heaving, will need to check with maintenance committee to have them check it and Dan will ask Barry how it is determined

which alley way needs to be done each year. Irene will set up a meeting with cluster Homeowners to discuss the need to raise cluster dues to keep up with the maintenance as the price to repair has increased but the dues have not. Ben will get alley 2 started and decide on what to do with the other areas later.

- **Technology Committee:** There was an issue with the key fob system, which may be fixed now since Ben reset the WIFI. Community WIFI will be changed at some point. They are working on a Community website for Homeowners to promote their businesses. The pool phone still is not working, trying to locate an old phone to see if it's the phone or line. CMS will check to see if a phone is required in the pool area.
- **Lake Committee:** Leases are up and going.
- **Landscape committee:** The community successfully completed a major clean up effort, 15 trees were removed, and they filled the dumpster with wood chips, The BOD approved reimbursing Jerry Waterman for the skid steer which was a crucial part of this clean up. Still waiting on the 4-year tree pruning from SaBell's and My Family Tree Service. There was an irrigation leak that SaBell's had repaired within a few hours. SaBell's was advised to turn the water on and will need to check each zone. Ted will also ask for the log in information for the irrigation system. Thistle spraying was discussed, the Board would like to know when this will be completed and to let ISL know that there may be more than expected due to the cleanup that just took place. CMS will follow up with ISL.
- **Maintenance Committee:** It was reported 3 young ladies were in the pool already. Ben reviewed the cameras, and the gate was propped open, they did not enter using a key fob. The pool leak is believed to be only in the kiddie pool and the big pool is fine, leak detection will take place the following day to confirm. The pool ladders were discussed, per Elk Constructions' contract, the brass cups should have been replaced and were not. CMS will contact them to see if they will come back and replace those. The grommets for the pool cover were discussed as they were loose, Stephen already ordered parts to repair those.

New Business

- **5 Year Tree Pruning –** Waiting on bids

Old Business

- **Path & Sidewalk Project –** The asphalt path repair had a change order, and it came in $2,000 less and was approved.
- **Storm Water/Ground Monitoring Well -** The City will be coming out to install a well and put in a water monitor to see if the system works to continue to use that drainage system.
- **ADU Guidelines –** Needs to be changed due to clusters, Jeff will send information to CMS to send to legal.
- **Fourth of July Party –** Fire truck will be coming at 11, did not get party trailer secured, grill is under stairs and no table rentals are needed.
- **Spring Ponderings –** It was hand delivered, and CMS will send it via and email blast to the Community.
- **Utility Box –** Still waiting on Century Link

Next Meeting:

- June 19, 2025 – Will be hybrid

Adjournment

- Meeting adjourned at 7:41 PM

Executive Session

Call to Order: 7:45 PM

The Pond Homeowners Association
Board of Directors Meeting Minutes
May 22, 2025

- Topic: Delinquencies.
- Acct# 25252
- Acct# 25093

Adjournment: 8:00 PM

Call to Order: 8:00 pm

Delinquencies:

- Accounts 25252 and 25093 were unanimously approved to send to legal.

Board Communication: Discussion was held regarding Board communication. Voting cannot be held via text and needs to be in email or forum and efficiency needs to be created, possibly a spreadsheet to track votes that will be shared with BOD and CMS. Committees should be providing information once all information is received and ready. CMS also recommended limiting Homeowner comments and keeping Homeowner forum to 3-5 minutes per Homeowner as they should not be involved in making Board decisions and requested that emails are strictly between CMS, the BOD and 1 committee member as point of contact to help avoid unnecessary emails.

Adjournment at 8:28 p.m.
